

THE BRICK LEARNING CENTRE

The screenshot shows a progress report form for The BRICK Learning Centre, 2023-24. It includes sections for Attendance, Credit Completion, and a table for Student Progress. The table has columns for Student Name, Module, and Credit Status. The form is partially filled out with data.

Progress Reports #2

The November Progress Reports are done and will be in the mail shortly. If you have not received one by the end of the week, please reach out the school. These progress reports are about keeping everyone informed about progress and about ensuring all is being done to build success. Please contact the school if you have any questions or concerns. Ideally, we would like to see students completing 1-2 modules per week.

Christmas Dinner

A wonderful tradition at The BRICK Learning Centre is our annual Christmas dinner for our students and their families. Please consider joining us on Wednesday, December 13th a great meal with some fantastic company. What better way to celebrate student success and determination as we move into the holiday season. We love hosting this dinner and there's a good chance there may be some Christmas caroling afterwards. A survey will be coming to you shortly. Please let us know if you are going to attend so that we can be sure to have enough food for everyone!

Getting BLC festive

Cree @ BLC

We were so fortunate to have Ms. Josephine Small join us at the school on Thursday and Friday to offer a course in conversational Cree. It was great to see the engagement and laughter of our students as they worked at learning Cree. For some, it was their first time working with this language while others worked to enhance their growing vocabulary. We will be offering it again in the Spring. Our next Workshop will be on Dec. 15 – Christmas Baking (students will make, bake, and take a number of recipes home for the holidays).

Around the School:

This Week: November Progress Reports are out
Dec. 8: No School – Staff Collaboration Day
Dec. 13: School Christmas Luncheon
